Miller's Vets seek scooter for veteran

Retired Judge Robert L. Miller Sr. is seeking a motorized scooter for someone who'd like to march with the group of homeless military veterans he started, Miller's Vets.

The scooter — new or used — would be for a 51-year-old woman living at the Center for the Homeless who can't walk because of multiple sclerosis. She was a nurse in both Gulf wars, Miller says.

She now uses a hand-pushed wheelchair. She would use the scooter so she could beat a drum and call cadence as she moves with the group.

If you have a scooter to offer, call the center at (574) 282-8700.
